ANTI-HUN FORCES  
MARCH THRU AUSTRIAPARIS, Nov. 7.—It is un-officially  
estimated that the Allies will gain  
from 250,000 to 500,000 troops from  
the collapse of Austria-Hungary.  
Bohemians and Slavs (anti-Ger-  
man forces) are already marching up  
thru Austria.Austrian troops on the western bat-  
tlefront withdrew homeward as soon  
as the armistice negotiations began.  
They formed the reserve to the Ger-  
man armies facing the allied armies  
east and west of the Meuse river.The Petit Parisien says that of the  
220 divisions the Germans had on the  
western front in the spring, only 20  
remain whole.

IF KIDNEYS AND  
BLADDER BOTHERTAKEN SALTS TO FLUSH KIDNEYS  
AND NEUTRALIZE IRRITA-  
TING ACIDS.Kidney and Bladder weakness re-  
sult from uric acid, says a noted  
authority. "The kidneys filter this  
acid from the blood and pass it on  
to the bladder, where it often re-  
mains to irritate and inflame, caus-  
ing a burning, scalding sensation, or  
setting up an irritation at the neck of  
the bladder, obliging you to seek re-  
lief two or three times during the  
night. The sufferer is in constant  
dread, the water passes sometimes  
with a scalding sensation and is  
very profuse; again there is diffi-  
culty in voiding it."Bladder weakness, most folks call  
it, because they can't control urina-  
tion. While it is extremely annoying  
and sometimes very painful, this is  
really one of the most simple ail-  
ments to overcome. Get about four  
ounces of Jad Salts from your phar-  
macist and take a tablespoonful in a  
glass of water before breakfast, con-  
tinue this for two or three days. This  
will neutralize the acids in the urine  
so it no longer is a source of irrita-  
tion to the bladder and urinary or-  
gans which then act normally again.Jad Salts is inexpensive, harmless,  
and is made from the acid of grapes  
and lemon juice, combined with lith-  
ia, and is used by thousands of folks  
who are subject to urinary disorders  
caused by uric acid irritation. Jad  
Salts is splendid for kidneys and  
causes no bad effects whatever.Here you have a pleasant, effec-  
tively relieves bladder trouble.—Adv.Jump from Bed  
in Morning and  
Drink Hot WaterTells why everyone should drink  
hot water each morning  
before breakfast.Why is man and woman, half the  
time, feeling nervous, despondent,  
worried; some days headachy, dull  
and unstrung; some days really in-  
capacitated by illness.If we would all practice inside-bath-  
ing, what a gratifying change would  
take place. Instead of thousands of  
half-sick, anaemic-looking souls with  
pasty, muddy complexions we should  
see crowds of happy, healthy, rosy-  
cheeked people everywhere. The rea-  
son is that the human system does not  
rid itself each day of all the waste  
which it accumulates under our pre-  
sent mode of living. For every ounce  
of food and drink taken into the sys-  
tem nearly an ounce of waste material  
must be carried out, else it ferments  
and forms ptomaine-like poisons  
which are absorbed into the blood.Just as necessary as it is to clean  
the ashes from the furnace each day  
before the fire will burn bright and  
hot, so we must each morning clear  
the inside organs of the previous day's  
accumulation of indigestible waste  
and body toxins. Men and women,  
whether sick or well, are advised to  
drink each morning, before breakfast,  
a glass of real hot water with a tea-  
spoonful of Limestone phosphate in it,  
as a harmless means of washing out  
of the stomach, liver, kidneys and  
bowels the indigestible material,  
waste, sour bile and toxins; thus  
cleaning, sweetening and purifying  
the entire alimentary canal before  
putting more food into the stomach.Millions of people who had their  
turn at constipation, bilious attacks,  
acid stomach, nervous days and sleep-  
less nights have become real cranks  
about the morning inside bath. A  
quarter pound of limestone phosphate  
will not cost much at the drug store,  
but is sufficient to demonstrate to any  
one its cleansing, sweetening and  
freshening effect upon the system.—Ad

SPOUTS ABOUT  
GERMAN GLORYAMSTERDAM, Nov. 5.—(by the  
Associated Press).—On the occasion  
of the constitutional amendment com-  
ing into force, says an official tele-  
gram from Berlin, Emperor William  
addressed to Prince Maximilian of  
Baden, the German imperial chancel-  
lor, a decree endorsing the decisions  
of the Reichstag and avowing his  
firm determination to co-operate in  
their full development. The emper-  
or's decree reads:

"Your Grand Ducal Highness:

"I return herewith for immediate  
publication the bill to amend the im-  
perial constitution and the law of  
March 17, 1879, relative to the re-  
presentation of the imperial chancel-  
lor, which has been laid before me  
for signature."On the occasion of this step which  
is so momentous for the future his-  
tory of the German people, I have a de-  
sire to give expression to my feelings.  
Prepared for by a series of govern-  
ment acts a new order comes into  
force which transfers the fundamen-  
tal rights of the kaiser's person to  
the people."Thus comes to a close a period  
which will stand in honor before the  
eyes of the future generations. De-  
spite all struggles between invested  
authority and aspiring forces it has  
rendered possible to our people that  
tremendous development which im-  
perishably revealed itself in the won-  
derful achievements of this war."In the terrible storms of the four  
years of war, however, old forms have  
been broken up, not to leave their  
ruins behind but to make a place for  
a new vital form."After the achievements of these  
times the German people can claim  
that no right which may guarantee a  
free and happy future shall be with-  
held from them."The proposals of the allied govern-  
ments which are now adopted and ex-  
tended owe their origin to this con-  
viction. I, however, with my exalted  
allies, endorse these decisions of  
parliament in firm determination, so  
far as I am concerned, to co-operate  
in their full development, convinced  
that I am thereby promoting the weal  
of the German people.The Kaiser's office is one of ser-  
vice to the people. May, then the  
new order release all the good powerswhich our people need in order to  
support the trials which are hanging  
over the empire and with a firm step  
win a bright future from the gloom of  
the present.

## NO GAME SHIPPED IN

STATE WITHOUT PERMIT.

The following notice regarding the  
shipment of game in Oregon has just  
been received by Game Warden Henry  
Stout from State Game Warden De-  
emaker."Please give immediate and wide  
publicity as possible to the fact that  
Federal authorities are active in in-  
vestigating all illegal interstate ship-  
ments of game and parts thereof  
(particularly beaver hides) and that  
all trappers, fur dealers, furriers, etc.,  
should at once familiarize themselves  
with the Federal Lacey Act, as print-  
ed on pages 84, 85, 86 of the Oregon  
Game and Fish Code for 1917-18.Also give publicity to the fact that  
a written permit to ship game or  
parts thereof, within or without the  
State of Oregon, must be attached to  
all shipments. This permit can be  
obtained only at the office of the  
State Game Warden, and must con-  
tain a description of the game ship-  
ped, the name and address of the  
shipper, and the name and address  
of the person to whom the shipment  
is to be made."As it would be impossible to send  
to the State Game Warden and get  
permission in time to ship game in  
certain condition, this ruling in the  
opinion of Warden Stout would place  
a ban on all such shipments.Just to
